Enrichment at King Alfred's Academy

King Alfred's Academy are strong believers in the value of enrichment and learning beyond the classroom. Participation within enrichment provides fantastic opportunities across a multitude of activities. Whether camping in Wales, paddling down the Ardeche or climbing Mount Toubkal, embarking on such enrichment opportunities submerge students into cultural experiences, opening eyes to new environments, where all senses are exposed. Immersing young people into new environments develops teamwork, communication, resilience, leadership skills and making lifelong memories along the way. Enrichment is a vital **part of the King Alfred's**

Academy ethos.

This booklet describes the range of **trips available at King Alfred's** and allows students to understand the trip length, cost and location as well as how to apply.

We understand that many families like to plan for these enrichment opportunities and we have planned these into a 5-stage hierarchy. Starting at stage 1 with a local, overnight residential moving to becoming more challenging and in relation to length, destination and types of activities.

We hope you will enjoy these trips.

Enrichment Visits Coordinator

payment system

The Enrichment Hierarchy

Stage 5 – A month long expedition in a developing country or challenging terrain. Previous destinations have included Borneo, Ecuador, Vietnam, Tanzania and Uganda.

Stage 4 – An expedition to a remote or challenging destination without the normal comforts of home (eg. The Alps, Morocco, Gold DOE) or a challenging cultural experience (Exchange visit).

Stage 3 – A cultural visit (Normandy, Barcelona, 6th Form Cultural Visit) or a challenging physical activity (Ski Trip, Watersports, Sports Tour, Silver DOE)

Stage 2 – A four day residential to Wales or a two day challenging expedition (Bronze DOE)

Stage 1 – A two day overnight residential in the local area.

Key to symbols throughout booklet

Trips are highlighted at what level they are.

Passport required—must be valid for six months after trip return date. Please ensure you renew passport in good time if necessary.

Passport not required for British citizens —students will travel on a Group passport (it is not necessary to have your own).

Whilst all trips have a kit list this trip may required specialist equipment, some of **which can be borrowed from King Alfred's (ie rucksacks, sleeping mats, ski equipment, tents etc)**

These trips may require some vaccinations which may incur extra costs.

Inclusion for All

It is important to King Alfred's that trips and visits are available to, and enjoyed by every single one of our students. The information on this page explains the support King Alfred's provides to ensure every student can experience residential trips and visits during their time here.

Staggered Payments

We launch most of our residential visits in September (except Ski Trips and Sport Tours). This ensures that payment for trips can be spread over a longer time period. Staged payments required are **minimised to just cover the school's deposits payable and other payments to suppliers etc.**

Pupil Premium

For families eligible for the Pupil Premium (those eligible for free school meals or who have been at any time within the past six years, children who are or have been looked after and children from service families), the following places and support are available:

Year 7 - A fully funded place on the Youlbury transition residential trip (not included in this booklet). In addition you may either have a fully funded place (bar initial £50 deposit) on the Brecon Beacons Activities Trip, or a £200 contribution towards the Year 7 Barcelona or Year 7/8 French Immersion Trip to Normandy.

Every Pupil Premium eligible student is also offered one other additional fully funded or partially funded (£500) place on a residential visit during Years 7-10 at King Alfred's. Trips are fully funded (bar initial deposit of £50) unless stated below - please see individual trip details in the booklet for the full cost. We hope that by giving you this information, then students and parents will be able to discuss how best to plan ahead. Partial funding (£500) is available to PP students for the following trips:

- Year 7-10 Ski Trip 2019 (to be launched in February 2018)
- Year 7-13 Concert Band and Choir Tour
- Year 9 Alpine Adventure
- Year 9-10 Sports Tour (2019)
- Year 10 Morocco Expedition

Parent payments for a trip must be received in full before the PP funding element is released. £50 deposits for pp fully funded places are returned upon completion of the trip by the student.

Educational Trust

We understand that at times families can face financial difficulty and challenge. We are fortunate to have the support of the King Alfred's Educational Charity which has a particular interest in supporting children's enrichment through travel. In some circumstances it may be possible to partially help with the cost of a trip, although these funds are increasingly limited.

Inclusion Places

Each Year we also offer 'Inclusion places', selecting students who have had a tough personal year and giving students a free place. Families cannot apply for these places. The Child Protection Designated Teacher selects students for these trips, alongside recommendations from Student Managers and the Leadership Team.

Student Enterprise

We have had many students over the years who have worked incredibly hard over a year or two years to raise the money themselves to go on a residential visit. Determined students have raised the entire funds for even our most expensive trips. In previous years we have had students helping their families and neighbourhoods with car washing, gardening, dog walking, cake making, craft making or getting a paper round in order to help pay for the trip.

Year 7 students enjoy a boating adventure in the Brecon Beacons

Year 7 Activities Trip

A four-day residential visit to the beautiful 17 acre site of Tan Troed in the Brecon Beacons, owned by Acorn Adventure.

The Centre offers some incredible on-site facilities for land based activities including: three high ropes course elements, zip wire, two climbing and abseil towers, archery ranges, and a challenge course.

The nearby Llangorse Lake also offers water based activities such as kayaking and raft building.

Students compete amongst coloured

villages to win points from the Big Cheeses, including the famous Big Cheese Dinner and Big Cheese Talent Show!.

KS4/5 French Exchange & Work Experience in Rouen

The MFL Department is thrilled to be running this trip for the third year! Our French students will be able to **experience a 'traditional' exchange**, spending a day in a High-school, visiting the beautiful and historic town of Rouen while discovering modern French youth culture with their French partners.

Year 10 students will spend a day visiting the beautiful town of Rouen while Year 11, 12, 13 will have the amazing opportunity to gain work experience in local primary schools, teaching English and supporting classroom teachers.

The French partner students will come to England and follow a similar programme: **spending a day at KA's, visiting Oxford and working for one day in local primary schools.**

As students will be hosting their partner and be hosted in return, getting to know them and their family, strong friendship bonds will be made !

Taking part in an exchange is a fantastic opportunity to make new friends, have a great time while hugely improving your language skills and building up your CV.

After the success of the Music Tour to Lake Garda in 2015, we will be running another Music Tour in 2017, this time to the beautiful city of Prague. It will take place between 17th -25th July 2017 and will be £600 per student. Just like the Lake Garda tour, we aim to perform three concerts in the surrounding area and explore the beautiful sights of the city and its local tourist attractions, which may include Prague Zoo, Prague Castle, a folk evening and a dinner cruise. The trip is for Years 7-13 and will take place in the Summer term so that the GCSE and A level students will have already done their exams. All students who wish to come on the music

tour will have to have been in either Choir or Concert band from January 2017 onwards in order for us to match the high standards of the concerts in Lake Garda. For more information please speak to a member of the Music Department.

Duke of Edinburgh Awards Scheme

The Duke of Edinburgh Awards Scheme is a national scheme that King Alfred's offers at all three levels, Bronze, Silver and Gold. The Award starts in Year 9 with Bronze and finishes in Year 13 after the successful completion of the Gold Award. This results in a visit to St James Palace to receive the Award from the Duke of Edinburgh!

To join the award, it doesn't matter who you are or where you're from. You just need to be in Year 9 or above and understand there's more to life than sitting on a sofa watching life pass you by!

To achieve the Award you need to complete a personal programme of activities in four sections – Volunteering, Physical, Skills and Expedition. You'll find yourself helping people or the community, getting fitter, developing skills and going on an expedition. The best bit is - you get to choose what you do! Your programme can be full of activities and projects that get you buzzing, and along the way **you'll pick up experiences, friends and talents that will stay with you for the rest of your life. There is plenty of evidence to show that by achieving the Award, future employers and universities will see this as a really positive aspect of your life.**

The Volunteering, Physical and Skill sections are for the students to organise themselves and complete in their own time out of college whereas the Expedition section will be led by staff within college. As such the dates below are critical and are compulsory if you want to take part. Please do check dates for this academic Year carefully before enrolling.

More information on each section of the award is available on the Duke of Edinburgh Website – www.dofe.org

To join the award, students should return the application form within this booklet with the required **costs (full amount made payable to King Alfred's Academy for Bronze, deposit or full amount required for Silver)** and enrolment form given out in Assemblies. This will secure a place on the scheme. This year the Award will not operate during the Elective Programme but instead will require students to attend a number of one off training sessions. These will be compulsory. This will allow students to join in with the normal Elective programme instead.

The price for the award, for the year and what it includes is listed below:

Bronze - £140

Price includes: Joining the scheme, licence fees, DoE Administration costs and a welcome pack. Transport, insurance, specialist equipment and training for both expeditions.

Dates

Students in their second year of Silver DofE may pay the full amount and will not have to pay any extra this year. There is no need to re-register.

Dates

- 8th May: Planning session for Assessment Expedition 3.30-6.00 pm
- 21st June Final Admin Session for Assessment Expedition 3.30-5.00 pm
- Silver Assessment Expedition – 24th-26th June 2018.

The cost for both Bronze, Silver and Gold will not cover the additional equipment needed for the expeditions for example walking boots (compulsory), food and a large rucksack. Should your son and daughter withdraw from the course once enrolled no refund will be given (unless for serious medical issues).

DoE Gold

Students can join the Gold Scheme in Year 12, with a 5-day expedition to mountainous areas in the Lake District and can choose between walking and canoeing. Costs for this award will be:

Year 12	Training including 5-day expedition 1st-6th July	£260
Year 13	Assessment including 6-day expedition (Scotland) 11th-17th July 2018	£280

EXTRA INFORMATION

Trip Information and Policies

Signing Up and Payments

To sign up for a trip please fill in the application form at the back of this booklet. You will then receive a letter notifying you if your son/daughter has a place and the payment schedule. All payments are administered and paid for via ParentPay. All parents will have had activation letters. ParentPay allows payment via debit or **credit card, or by cash at a 'PayPoint' which exists at many local convenience stores, garages and alike.** Payment amounts and dates are all shown in ParentPay (also see Page 3).

Late Payments

If you do not meet the payment dates in ParentPay, a set of reminders will be sent via ParentPay.

For key deposit dates, any late payment runs the risk that the pupil will not be able to proceed and payments made to date may be forfeited.

Trip Destination Changes

King Alfred's Academy, alongside the travel companies we use, continually monitor world-wide situations and complete risk assessments on the destinations we have chosen, taking into account Government advice at the time, on all residential trips.

If, for any reason, King Alfred's considers a destination not suitable due to global events and advice, we reserve the right to divert the trip to an alternative location. If such circumstances arise, there will be no extra charge made to parents, but equally no refund will be possible if the student withdraws from the trip at that stage.

Usual withdrawal policy will still apply. (See Withdrawal from a trip)

Withdrawal from a trip

Once a place has been assigned to a student, there **is a contract between King Alfred's and the parents** that payments will be completed. If a student has a medical condition that means they are not able to attend the trip, a doctor's or hospital note will be required and the matter will be dealt with through the visit Insurance policy. If a student changes their mind and no longer wants to attend there will be no refund of payments made unless a replacement can be found. Payments made to that date are non-refundable.

Oversubscribed Visits

For trips that are oversubscribed we will hold a **'ballot' 29th September. Those students that do not make the trip will be placed on a waiting list and the deposit will be returned.** Students on waiting lists may be offered places right up until **time of trip departure so don't be too disheartened if you don't make it – there is always a chance!**

Medical issues

If a student has a medical issue that requires daily management (ie diabetic) please declare when applying for the trip. A case meeting may be required before the student is accepted on the trip to discuss management of any medical issues, for reasons of Health and Safety.

Passports and EHICs

Trips abroad will either be on a Group Passport or **the student's own individual passports.**

For travelling on a *group passport* students **DO NOT NEED** their own passport. Parents/guardians of students will need to supply two passport photographs and to fill in a Nationality Questionnaire and Parental Consent Form (CPNQ1 or 2) available from the College or http://www.direct.gov.uk/en/TravelAndTransport/Passports/Aboutcollectivegrouppassports/DG_174361. (We will send out these and relevant forms several months prior to the trip departure date).

For travelling on individual passports students are responsible for obtaining their own passport prior to date of travel and valid for six months afterwards. Please enclose a copy of your passport with application if needed.

For travel to EEA countries students will require a EHIC form available free on www.EHIC.org.uk.

The *Group Passport is only for British Citizens*. Under 18 Students from other nationalities or over 18 cannot go on the group passport and must travel on their own passport. Please ensure you have one in date!

Trip Information

All trip information, letters and trip updates will be put on the Parent Portal of the VLE under Enrichment.

Website Updates

Where possible the group leader will provide brief updates to the school website to inform parents of a safe arrival and how the trip is progressing. These updates will only be added to the website during office hours and parents must therefore be aware that there may be a delay in information during evenings and weekends. On all trips we also operate a policy of no news is good news.

Mobile Phone Policy

Residential visits are an excellent way to develop life skills and independence in young people. It is partly for **this reason that King Alfred's has a policy that students cannot take mobile phones on a residential visit**. The policy also ensures that the trip leaders are able to be **'loco parentis' and ensure the safety and wellbeing of student on the visit**. Parents and students are asked to consider this before booking a place. If a place is booked parents are expected to support the policy, and to enforce it by ensuring the mobile phone is left at home. There are a few exceptions to this rule which will be clearly stated in an information letter. These will be clearly stated and will be due to the risk assessment of an activity. The policy also includes all devices that can connect to Wifi. This includes phones without Sim cards, Ipads and most Ipods.

Trip Participation

See Student and parent agreement P15

Residential Visit – Student and Parent/Guardian Agreement

Behaviour and Attendance

Visits require students to be able to follow instructions to keep themselves and others safe. King Alfred's therefore requires students to demonstrate before and during an educational visit that they can behave in a safe and appropriate manner. If a student is unable to do this, King Alfred's reserves the right to remove the student from the educational visit. **Equally this applies if a student's attendance has dropped to a level that may have an impact on their education, with the exception of medical reasons.**
