

While we like to share our experiences online, when it comes to exams and other assessments, we have to be careful.

- Sharing ideas online can be helpful when you're studying or revising
- However, sharing certain information (see information on the right) can break the rules and could affect your results
- If you're not sure what you can and can't discuss online, check with your teacher
- If you receive exam content on social media, you must tell your teacher
- Don't be caught out by scammers selling fake exam papers

Things to do on social media:

- Have fun
- Be responsible
- Report any exam or assessment content you see to your teacher

Things not to do on social media:

- Buy/ask for/share exam or assessment content
- Pass on rumours of what's in exams or assessments
- Share your work
- Work with others so that your assessment is not your own independent work

If you do any of the above activities, you may:

- ! • Receive a written warning
- ! • Lose marks
- ! • Be disqualified from a part of or all of your qualifications
- ! • Be banned from taking exams and assessments for a number of years

Please take the time to familiarise yourself with the JCQ rules:

1

You **must** be on time for all your examinations.

2

Possession of a mobile phone or other unauthorised material **is not allowed** even if you do not intend to use it. You will be subject to penalty and possible disqualification from the examination or qualification.

3

You **must not** talk to, attempt to communicate with or disturb other candidates once you have entered the examination room.

4

You **must** follow the instructions of the invigilator.

5

You **must not** sit an examination in the name of another candidate.

6

You **must not** become involved in any unfair or dishonest practice in any part of the examination.

7

If you are confused about anything, only speak to an invigilator.

The *Warning to candidates* must be displayed in a prominent place outside each examination room. This may be a hard copy A3 paper version or an image of the poster projected onto a wall or screen for all candidates to see.

AI and Assessments

A quick guide for students

What is AI?

- AI stands for artificial intelligence and using it is like having a computer that thinks
- AI tools like ChatGPT or Snapchat My AI can write text, make art and create music by learning from data from the internet, but watch out – they can also make things up and be biased

How can AI be misused in assessments?

AI misuse is when you take something made using AI and say it's your own work.

THIS IS CHEATING!

How do I make sure I don't misuse AI?

1 Know the rules

- You're **not allowed** to use AI tools when you're in an exam
- Your teachers will tell you if you're allowed to use AI tools when doing your coursework – the rules will depend on your qualification
- Even if you're allowed to use AI tools, you can't get marks for content just produced by AI – your marks come from showing your own understanding and producing your own work

2 Reference reference reference!

- If you're allowed to use AI tools, you must reference them clearly
- Name the AI tool you used
 - Add the date you generated the content
 - Explain how you used it
 - Save a screenshot of the questions you asked and the answers you got

3 Declare it's all your own work

– When you hand in your assessment, you have to sign a declaration. Anything without a reference must be all your own work. If you've used an AI tool, don't sign the declaration until you're sure you've added all the references

What happens if I misuse AI?

If you've misused AI, you could lose your marks for the assessment – you could even be disqualified from the subject.

DON'T RISK IT!

REMEMBER
Misusing AI is cheating!
Know the rules
Talk to your teachers
Reference clearly

Information for candidates

AI (Artificial Intelligence and assessments)

What is AI?

AI stands for artificial intelligence and can be used to create text, images, videos, music and artwork based on instructions given to an AI tool.

What is an AI tool?

AI tools are applications, such as ChatGPT, Snapchat My AI, Google and Google translate. There are many more!*

*The list of certain suppliers of AI-related products is for information purposes only and does not constitute an endorsement by JCQ and awarding bodies. It is each centre's responsibility to investigate and verify any suppliers they use, including any terms and conditions which govern the sale or use of the supplier's products. The list provided is not exhaustive.

When can I use AI?

- Your teachers may use it in class when teaching the course, but remember teaching in the classroom is not an exam!
- There are some assessments where you can use AI – your teachers will tell you if you can or cannot use an AI tool.
- Remember, the rules are different for different assessments and subjects, so always check with your teachers first!
- When an AI tool is allowed, **you must acknowledge**** the AI tools and the material produced by the AI tool that you have used in your work. If you do not acknowledge AI use, it will be **considered as cheating**.

When can I not use an AI tool?

- AI tools cannot be used in an exam or any other assessment where exam rules apply.
- This is what exam boards call **AI misuse and is a form of cheating**.

**Acknowledgment – When producing a piece of work, if you use the same wording as a published source, you must place quotation marks around the passage and state where it came from. This is known as referencing. You must make sure that you give detailed references for everything in your work which is not in your own words, for example, *ChatGPT 3.5* (<https://openai.com/blog/chatgpt/>), 25/01/2025.

IF YOU USE AN AI TOOL, YOU CANNOT GET MARKS FOR WHAT THE AI TOOL HAS PRODUCED, AS IT IS NOT YOUR OWN WORK

If I'm allowed to use AI, how is this breaking the rules?

- AI misuse is when you use an AI tool in an exam or assessment where you are not allowed to; and/or
- Where you use an AI tool to create work and then say it's your own.

How to make sure you don't misuse AI

DECLARE

- Remember to sign your declaration form when handing in your work for final assessment.
- Your signature on the declaration form tells your teacher and the exam board that you are saying all the work you're handing in is your own.
- If you have used an AI tool, **you must declare***** that you have used it before signing the declaration form!

*****Declare** – this means that when you submit your work for marking, the awarding body will normally require you to sign an authentication statement confirming that you have read and followed the regulations.

ACKNOWLEDGE

If you are allowed to use an AI tool in your assessment (remember to check!), you must do the following:

- reference the AI tool you have used
- give the date of when the AI tool generated the content
- give details of how you used it.
- save screenshots of what you have asked or instructed the AI tool to do and what answer the AI gave you, and include this with the work submitted.
