## All students

### KAreer Wanted Virtual Careers Fair

Following on from the success of the careers fair last week, a virtual version is now available to view on the School's [website](#). This not only contains information about those companies present but also companies from across the UK who were not able to attend but wanted students to be aware of the opportunities they offer.

## Year 10

### Work Experience opportunity at TFD Health and Fitness

TFD Health and Fitness are now taking applications for their work experience programme. Students should email their CV to [info@tfdgym.co.uk](mailto:info@tfdgym.co.uk) as well as their contact details by **Friday 13 March 2026** at the very latest. Any applications received after this time will not be considered. Please see the [Poster](#) for further details of what to include and more about the experience.

## Year 11

### Oxfordshire Advanced Skills Open Evenings

Applications for 2026 entry opened on 6 October 2025 - [Apply | OAS](#)

Oxfordshire Advanced Skills (OAS) will be holding open evenings on the following dates:

**27 November 2025; 27 January 2026; 25 February 2026**

If you are interested in attending one of these dates, please [register here](#)

### Wilson and Scott apprenticeships

[Wilson and Scott](#), the UK's leading line markers, have launched two apprenticeships, namely Road Marking Level 2 and Professional Services Levels 2/3. For further information and how to apply, please click on the following [link](#)

### Navtech Radar apprenticeship

Navtech Radar, based in Grove, are actively seeking someone to complete an Engineering Manufacturing Apprenticeship, Level 3. The employee would work 4 days a week at their site in Grove with the other day spent at college. For further information, please click on the following [link](#)

### University of Bedford Discover Teaching Day

Wednesday 12 November at the Bedford Campus

Book here - [Teaching | University of Bedfordshire](#)

A dynamic and engaging event designed to inspire future educators. At this free event, students will have the chance to explore careers in both Primary Teaching and Secondary PE by participating in interactive teaching tasters, hands-on workshops and Q&A sessions with current trainee teachers. Students in **Year 11 and above** with an interest in education, sport or working with young people are welcome to book using the link above.

### Unifrog apprenticeship application webinar

Parents and caregivers session: how to support during apprenticeship applications

Tuesday 11 November, 17:30 for 45 minutes

<https://www.unifrog.org/events/upcoming/1551-parents-and-caregivers-session-how-to-support-during-apprenticeship-applications>

Find out what's involved in written applications, assessment centres and interviews. Gain tips to guide and encourage your child every step of the way and feel more confident in helping them navigate this important stage in their career journey.

## Amazing Apprenticeships Higher and Degree Apprenticeship Vacancy Listing

## TFD Health and Fitness Poster

# Year 10 Work Experience at tfd

**Is it for me?**  
You will experience:

- responsibility, tolerance, knowledge, curiosity, resilience and respect in a “real world” environment beyond the classroom
- the opportunity to take part in a variety of written and physical tasks and challenges
- a chance to show us how you can be proactive and work independently
- supporting the health, safety and wellbeing of our members

**What do I need to do to now?**  
Please email a CV to [info@tfdgym.co.uk](mailto:info@tfdgym.co.uk) including your contact details and the following by Friday 13th March 2026:

- Current subjects being studied at school
- A paragraph which includes your interests and why you have a passion for the health and fitness industry
- Volunteering, family support, paid or unpaid tasks you have or are undertaking
- Awards you have received from school, clubs or programmes e.g. Duke of Edinburgh scheme

Interviews will be held between Monday 30<sup>th</sup> March - Friday 10<sup>th</sup> April
