

GEOGRAPHY LEARNING PATH STATEMENTS YEAR 9

YEAR 9	GEOG LEARNING PATH 1 LP1	GEOG LEARNING PATH 2 LP2
St 1	Able to reach a justified conclusion relating to the importance of causes, impacts and responses	Demonstrates developed geographical understanding of causes, impacts and responses
St 2	Shows sophisticated understanding of how physical / human factors impact population distributions	Shows clear understanding of how physical / human factors impact population distributions
St 3	Able to achieve 80% on an Australia knowledge review	Able to achieve 70% on an Australia knowledge review
St 4	Demonstrates detailed understanding of globalisation in Geography	Demonstrates clear knowledge and understanding of globalisation in Geography
St 5	Able to achieve 80% on an Almighty dollar knowledge review	Able to achieve 70% on an Almighty dollar knowledge review
St 6	Able to give detailed analysis of Geographical presentation techniques (Data manipulation, anomalies and trends)	Able to give clear analysis of Geographical presentation techniques. (Patterns / trends)
St 7	Demonstrates detailed understanding of the challenges and solutions to managing natural hazards	Demonstrates clear understanding of the challenges and solutions to managing natural hazards
St 8	Able to achieve 80% on a Natural hazards knowledge review	Able to achieve 70% on a Natural hazards knowledge review
St 9	Demonstrates sophisticated knowledge of scale and locations when learning about a Geographical concept	Demonstrates clear knowledge of scale and locations when learning about a Geographical concept
St 10	Is able to use a case study in detail to evidence Geographical understanding	Is able to use a case study as evidence in a piece of Geographical writing

GEOGRAPHY LEARNING PATH STATEMENTS YEAR 9

YEAR 9	GEOG LEARNING PATH 3 LP3	GEOG LEARNING PATH 4 LP4
St 1	Is able to identify points and give simple geographical understanding relating to causes, impacts and responses	Can identify causes, impacts and responses in relation to a hazard
St 2	Is able describe how physical / human factors impact population distributions	Is able to identify how physical / human factors impact population distributions
St 3	Able to achieve 60% on an Australia knowledge review	Able to achieve 50% on an Australia knowledge review
St 4	Demonstrates some knowledge of the concept of globalisation in Geography	Demonstrates basic knowledge of the concept of globalisation in Geography
St 5	Able to achieve 60% on an Almighty dollar knowledge review	Able to achieve 50% on an Almighty dollar knowledge review
St 6	Able to describe simple trends, similarities and differences when using Geographical presentation techniques	Able to identify simple trends when using Geographical presentation techniques
St 7	Demonstrates some understanding of the challenges and solutions to managing natural hazards	Can identify some of the challenges and solutions to managing natural hazards
St 8	Able to achieve 60% on a Natural hazards knowledge review	Able to achieve 50% on a Natural hazards knowledge review
St 9	Demonstrates some knowledge of scale and locations when learning about a Geographical concept	Demonstrates basic knowledge of scale and locations when learning about a Geographical concept
St 10	Demonstrates the ability to use some case study information as evidence	Is able to use at least one accurate case study fact as evidence in a piece of Geographical writing

GEOGRAPHY

You can use the links in the table below to review which topics you have done well in and which might need further work.

Year 9 LP Statement	Link	Topic
St 1	Australia fires: Life during and after the worst bushfires in history - CBBC Newsround	Causes, impacts and responses of Australian Bushfires
St 2	Factors influencing global population distribution - BBC Bitesize	Population in Australia
St 3	The Land Down Under: The Australian Geography Quiz HowStuffWorks	Australia Knowledge review
St 4	Globalisation - Globalisation and global trade - KS3 Geography Revision - BBC Bitesize	Globalisation
St 5	Trade and globalisation test questions - National 5 Geography Revision - BBC Bitesize	Human Geography knowledge review
St 6	Types of graphs in geography - Graphical skills – WJEC - GCSE Geography Revision - WJEC - BBC Bitesize	Data and Graph analysis
St 7	What is a natural hazard? - Natural hazards - AQA - GCSE Geography Revision - AQA - BBC Bitesize	Natural Hazards
St 8	Natural hazards test questions - AQA - GCSE Geography Revision - BBC Bitesize	Physical Geography knowledge review
St 9	Nepal earthquakes: Devastation in maps and images - BBC News	Using scale maps and images in relation to hazards
St 10	Case study: Nepal 2015 (LIC) - Earthquakes and tsunami – WJEC - GCSE Geography Revision - WJEC - BBC Bitesize	Using a case study – Nepal earthquake

All of these topics will continue to be reviewed regularly in lessons and independent study over the rest of the year, so there are plenty of opportunities to make progress.

“THE BEAUTY OF THE WORLD LIES IN THE DIVERSITY OF ITS PEOPLE”
