

King Alfred's Academy Enrichment Brochure 2026-2027

Enrichment at King Alfred's Academy

King Alfred's Academy is a strong believer in the value of enrichment and learning beyond the classroom. Enrichment is a vital part of our Academy ethos.

Participation in our enrichment programme provides fantastic opportunities across a multitude of activities. Whether that's camping in the Peak District, a cultural tour of a European city or climbing Mount Toubkal, embarking on such enrichment opportunities immerses students in experiences which open their eyes to new environments.

KS4—KS5 Trips	6-7
Duke of Edinburgh	8-9
Further Information & Procedures	10-12

Please read the Information on Pages 10-12 including how to sign up for a trip.

Immersing young people in new environments develops teamwork, communication, resilience and leadership skills whilst affording the opportunity to establish lifelong memories along the way. The trips which we offer are as diverse as those who undertake them.

This booklet describes the range of trips available at King Alfred's and allows parents and carers, together with their child/ children to understand the trip length, cost and destination, as well as how to apply.

We understand that many families like to plan for these enrichment opportunities, so we work on a hierarchy of trips, starting with short overnight trips in Year 7 then, as the

students move through the key stages, the activities and residential visits become more challenging according to the length of stay, destinations and level of leadership skills required.

For further information please contact Leanne Avis (Head of Enrichment):

kaenrichment@kas.cambrianlt.org

"King Alfred's Academy's Enrichment Programme offers an excellent opportunity for all students to grow and develop into respectful, responsible, knowledgeable, tolerant, resilient and curious individuals through rewarding, diverse and culturally rich experiences both in the UK and overseas." Ms Avis (Head of Enrichment)

Inclusion for All

It is important to King Alfred's that trips and visits are available to, and enjoyed by, every single one of our students. The information on this page explains the support King Alfred's provides to ensure every student can experience residential trips and visits during their time here.

Staggered Payments

We launch most of our residential visits in Terms 1 or 2 (except Ski Trips, MFL exchanges and any Departmental trips and day trips). This ensures that payment for trips can be spread over a longer period of time. The payments required are minimised to cover the school's deposits payable and other payments to suppliers etc. Deposits must be received by the requested date on ParentPay to secure a place (ballots will be run in the event that a trip is oversubscribed) and the suggested payment schedule adhered to in order to keep your child's place on the trip.

Educational Charity Trust

We understand that at times families can face financial difficulty and challenge. We are fortunate to have the support of the King Alfred's Educational Charity Trust which has a particular interest in supporting children's enrichment through travel. In some circumstances it may be possible to contribute towards the cost of a trip, although these funds are increasingly limited. If you would like to enquire about how the Educational Charity Trust can support you, please email your child's Student Manager.

Pupil Premium

For families eligible for Pupil Premium (those eligible for free school meals or who have been at any time within the past six years, children who are or have been looked after and children from service families), please do get in contact with the Pupil Premium team if you would like to apply for support towards payments of trips and enrichment activities. Please email via Enquiries who will forward this to the relevant staff: enquiries@kas.cambrianlt.org

Year 7 Activities Trip

A four-day residential visit to the beautiful Gradbach region of the Peak District. Students have the opportunity to experience varied accommodation and can sleep outdoors under canvas or choose to stay indoors in bunkbed accommodation.

Students will be organised into teams and will be able to take part in the full range of activities on offer.

In the evenings there will be more activities on offer in the form of wide games or sports.

The daytime activities are:

- ◆ Rock climbing
- ◆ Abseiling
- ◆ Weaseling
- ◆ Bouldering
- ◆ Watersports on Tittesworth Reservoir
- ◆ Canoeing
- ◆ Raft building

Year Group	Year 7
Date	18-21 st June 2027
Guide Price	£380
Passport	None (UK trip)
No of Places	70

Years 7 & 8 Barcelona

A week-long visit to the vibrant city of Barcelona and the surrounding area, allowing students to practice the Spanish they have learnt over the year.

We will be visiting the centre of Barcelona including the beautiful Sagrada Familia Cathedral and Parc Guell, the Gothic area, Camp Nou (home to Barcelona FC) and Montjuic Mountain with its stunning views over Barcelona. There are an exciting variety of day trips to be confirmed, but we will also be trying a taste of Spanish tapas and relaxing in the evenings by the beach near our hotel in Tossa del Mar.

The trip is an exciting opportunity to experience the very best of Spanish culture in one of Europe's most beautiful cities. ¡Vamos!

Year Group	Year 7 and 8
Date	2 nd - 7 th July 2027
Price	£900
Passport	Individual passport ideally. Group passport available.
No of Places	50

Year 8 North Wales Adventure

An action-packed 4 -day trip to North Wales with a full range of exciting activities to challenge students to achieve something outside of their comfort zone.

Activities include:

- ◆ Abseiling
- ◆ Climbing
- ◆ Sea level traversing
- ◆ Coasteering
- ◆ Canyoning
- ◆ Tyrolean traversing
- ◆ Snowden trek

"An action packed week where you will get the chance to challenge yourself"

Year Group	Year 8
Date	7 th – 10 th May 2027
Price	£450
Passport	None (UK trip)
No of Places	26

Years 9 & 10 Watersports Taster Tour (Isle of Wight)

An exciting residential trip to the Isle of Wight designed to provide an introduction to a variety of watersports, including dinghy sailing, keelboating, stand-up paddle boarding, windsurfing and kayaking and discover which one gives you the biggest buzz. All activities will develop an essential range of soft skills, learn about teamwork, communication and negotiation.

UKSA is one of the largest Watersports Activity Centres in Europe. It is recognised by the RYA (Royal Yachting Association) and BCU (British Canoe Union) as an activity provider and as a Training Establishment for Instructor and Crew Training.

Year Group	Year 9 and 10
Date	9 th – 12 th July 2027
Price	£535
Passport	None (UK trip)
No of Places	26

Year 10 Morocco

Trek Mt Toubkal, ride a camel, relax on the beach, and shop in the souks! We head up into the High Atlas Mountains to stay in the village of Imlil, before trekking to the mountain hut below Toubkal. We then trek to the top of the highest mountain in North Africa at 4,167m. No trip to Morocco would be

complete without riding a camel, which we do through the sand dunes of Essaouira. There will also be time to relax on the beach and visit the harbour and the ramparts of this beautiful walled city.

Finally, you can experience shopping in the colourful souks where you can practice haggling over your Moroccan gifts and sample a traditional mint tea.

*"Magical Morocco;
a real African adventure"*

Year Group	Year 10
Guide Date	26th May - 1st June 2027 (TBC)
Price	£1215
Passport	Individual passport required
No of Places	26

Years 12 & 13 Tanzania Trip 2028

An exciting 3-week trip to Tanzania departing in last the week of Term 6, 2028, working with the local community helping to build new facilities for KYGN (Kilimanjaro Young Girls in Need). An optional climb of Mount Meru (4655m) followed by a 2 day safari and finally, 4 days on the magical island of Zanzibar.

Dates and prices TBC depending on flights. Information Evening Friday **9th October 2026, 18:00.**

Years 9-13 Trip to Seville 2028

A school trip to Seville offers an exceptional opportunity for real Spanish language immersion. During their stay, students will be hosted by local Sevillian families and participate in an intensive 12-hour Spanish course. The planned visits are diverse and enriching, including tours of a bull breeding farm, the Royal School of Equestrian Art in Jerez, Osborne Wineries, the Roman ruins of Itálica, and the iconic Seville Cathedral, among other historic sites.

We believe this trip will profoundly impact our students, fostering their motivation to excel in Spanish. This, in turn, will likely lead to improved performance in their GCSE exams. The first-hand experiences and cultural exposure will undoubtedly enhance their language skills and cultural awareness.

Year Group	Year 9-13
Guide Date	23 rd – 28 th October 2028
Price	TBC
Passport	Individual passport required
No of Places	30

Keep an eye out for the 2028 language trips to be advertised in Term 3

Years 9-13 Trip to Nice 2028

The MFL Department will be running a language trip to Nice in October 2028. Students will attend French classes every morning 0900- 1200 — taught in French — no English allowed! In the afternoon, students will have the opportunity to explore Nice with a series of museum visits and a trip to nearby Monaco, as well as taking part in some French shopping and tasting some delicious French gastronomy!

Year Group	Year 9-13
Guide Date	24 th – 29 th October 2028
Price	TBC
Passport	Individual passport required
No of Places	30

Years 8-13 Ski Trip – 2027

This trip will be an exciting adventure where we will have 5 days skiing in the resort of Les Orres, France.

Year Group	8-13
Date	13 th — 20 th February
Price	£1690
Passport	Individual passport required
No of Places	40

**Fully booked
for 2027 but
look out for
2028 coming**

Years 11-13 USA Ski Trip – 2027

This trip will be an amazing adventure to New Hampshire, USA.

Year Group	11-13
Date	26 th March – 2 nd April 2027
Price	£2800
Passport	Individual passport required

**1 space left
for 2027.**

Subject Specific Enrichment

Curriculum visits for all year groups will be available throughout the academic year. These will be advertised via ParentPay, email and the relevant faculties, including Geography and History field trips. Art masterclasses, foreign exchanges, business visits alongside theatre and museum opportunities, all designed to complement the curriculum offer.

Duke of Edinburgh Award Scheme

The Duke of Edinburgh Award Scheme is a national scheme that King Alfred's offers at all three levels; Bronze, Silver and Gold. The Award starts in Year 9 with Bronze and finishes in Year 13 after the successful completion of the Gold Award. This results in a visit to a royal palace (St James or Buckingham Palace) to celebrate completion of the Award! To join the Award, it doesn't matter who you are or where you're from — you just need to be in Year 9 or above and understand there's more to life than sitting on a sofa watching life pass you by!

To achieve the Award, you need to complete a personal programme of activities in four sections – Volunteering, Physical, Skills and Expedition. You'll find yourself helping people in the community, getting fitter, developing skills and going on an expedition. The best bit is that you get to choose what you do! Your programme can be full of activities and projects that get you buzzing, and along the way you'll pick up experiences, friends and talents that will stay with you for the rest of your life. There is plenty of evidence to show that by achieving the Award, future employers and universities will see this as a really positive aspect of your life.

The Volunteering, Physical and Skill sections are for the students to organise themselves and complete in their own time out of school, whereas the Expedition section will be led by an AAP (Approved Activity Provider). As such, the dates below are critical and are compulsory if you want to take part. Please do check dates for this academic year carefully before enrolling. More information on each section of the Award is available on the Duke of Edinburgh Website – [Do DofE - The Duke of Edinburgh's Award](#)

To join the Award, deposits should be made via ParentPay **by Friday 25th September 2026** and you will be sent an enrolment form if you have not participated before. This will enable registration on the eDofE website and allow you to begin your journey.

The cost of the Award, for the year and what it includes, is listed below.

Cost includes: Joining the Award, license fees, DofE administration costs and a welcome pack, insurance, specialist equipment and training for all expeditions. Transport is included for the Silver and Gold expeditions. For Bronze, expeditions are more local and therefore students will need to arrange their own transport to get to expeditions. A £50 deposit is required to enable registration with DofE and the remaining balance must be paid before expeditions take place.

Bronze — Year 9 - £260

Dates

Training Day: To be held at KA's Centre Site — Saturday 10th October 2026 — all day.

Practice Expedition: (2 days/ 1 night) — Saturday 24th — Sunday 25th April 2027

Assessment Expedition: (2 days/ 1 night) — Saturday 22nd — Sunday 23rd May 2027

Silver—Year 10 - £550

Dates

Training day: To be held at KA's Centre Site — Sunday 11th October 2026 — all day

Practice Expedition: (3 days/ 2 nights) — Thursday 22nd — Saturday 24th October 2026

Assessment Expedition: (3 days/ 2 nights) — Friday 14th — Sunday 16th May 2027

Participants do not need to have done Bronze to start Silver — there is just a little longer to be spend on one of the activities. For more info: [Timescales - The Duke of Edinburgh's Award \(dofe.org\)](https://www.dofe.org/).

DofE Gold — Year 12 — £660

A two-year programme (Year 12/ 13). We will be running all expeditions in 2026-2027 to leave Year 13 free for exams!

Dates:

Training day: 1 day to be held at KA's Centre Site - Sunday 11th October 2026 — all day.

Practice Expedition 1: (3 days/ 2 nights) Friday 9th — Sunday 11th April 2027

Assessment Expedition: (5 days/ 4 nights) Monday 5th — Friday 9th July 2027

The cost for Bronze, Silver and Gold will not cover the additional equipment needed for the expeditions, for example walking boots (compulsory), food and a large rucksack. However, at King Alfred's we have a supply of some essentials which students are welcome to borrow. Should your child withdraw from the course once enrolled, no refund will be given as per the trip withdrawals policy.

Expeditions

All our training and expeditions are now run by an AAP (Approved Activity Provider) which is Global Footprints. For more information on expeditions see <https://global-footprints.co.uk/dofe/>

They provide all necessary equipment (ie tents, cooking equipment, maps etc) but not personal items such as walking boots, rucksacks, food. Please note that as an outside company runs these expeditions, King Alfred's staff will not always be present. But we are available to support students with the completion of their Award.

Please note:

Expeditions must be completed in order to gain the DofE Award. Should your child not be able to attend these dates they can do an expedition with another AAP (Approved Activity Provider) - there are many available — look on [Approved Activity Providers - The Duke of Edinburgh's Award \(dofe.org\)](https://www.dofe.org/). Alternatively, they may join an expedition the following year with the next DofE cohort.

For more information please contact Leanne Avis (DofE Manager)

**YOUTH
WITHOUT
LIMITS**

EXTRA INFORMATION

Trip Information and Policies

Signing Up and Payments

All trips available for the academic year will appear on ParentPay. To sign up for a trip please make the full deposit payment by **1st October** (Duke of Edinburgh is 25th September) and complete the medical information and consent form on ParentPay. Payment amounts and dates will be shown in ParentPay. Having paid the deposit for a trip, parents/ carers agree to the information and policies as set out in this booklet.

Late Payments

If you do not meet the payment dates, reminders will be sent via ParentPay. For key deposit dates, any late payment runs the risk that the student will not be able to proceed, and payments made to date may be forfeited. Full payment must be made by the dates stated.

Updates and Further Information

All updates will be communicated via ParentPay and for each trip there will be an information evening approximately 4 weeks before departure date. Where possible, basic updates via our Instagram feed and Facebook as well as the school website, will be provided. Parents must be aware that there may be a delay in information during weekends and evenings. On all trips we operate a policy of *no news is good news*. Our HBEC (Home- Based Emergency Contact) will be the first port of call for any information.

Trip Destination Changes

King Alfred's Academy, alongside the travel companies we use, continually monitor world-wide situations and complete risk assessments on the destinations we have chosen, taking into account Government advice at the time, on all residential trips. This will include but is not limited to any Covid issues, terrorist concerns, outbreak of dangerous, contagious diseases etc.

If, for any reason, King Alfred's, or one of our trip providers, considers a destination not suitable due to global events and advice, we reserve the right to divert the trip to an alternative location. If such circumstances arise there will be no extra charge made to parents, but equally **no refund will be**

possible if the student withdraws from the trip at that stage, and the usual withdrawal policy will apply. Refunds will be payable if a trip cannot go ahead due to Government restrictions and/or advice.

Withdrawal from a Trip

Once a place has been assigned to a student by payment of a deposit, there is a contract between the parents and King Alfred's that payments will be completed. If a student has a medical condition that means they are no longer able to attend the trip, a doctor or hospital note will be required, and the matter will be dealt with through King Alfred's Academy insurance policy. For cancellation of any other kind, there will be no refund of payments made, and the **full cost** of the trip is payable by the parents. However, if there is a waitlist, and a replacement can be found, any payments (minus any deposit) will be refunded.

Oversubscribed Visits

For trips that are oversubscribed we will hold a 'ballot' on Friday **4th December 2026**. Any student that does not gain a place on the trip will be placed on a waitlist and the deposit will be returned. Students on waiting lists may be offered places right up until the time of trip departure so don't be too disheartened if you don't make it – there is always a chance!

Health Management on the Trip

If a student has a medical issue that requires daily management, please declare this when applying for the trip. A case meeting may be required before the student is accepted on the trip to discuss management of any medical issues, to ensure that we have sufficient staffing and risk assessments and procedures in place for reasons of Health and Safety.

Covid/ Pandemics

Our insurance will indemnify costs incurred following cancellation of a trip by an individual pupil / staff member in the following circumstances:

- If the pupil / staff member contracts COVID-19 prior to travel and cannot travel

- For cancellation of the whole party if the lead contracts COVID-19 and cannot travel and a replacement cannot be found
- For cancellation if the student/ staff member is going to be staying with someone who has contracted COVID-19 (school exchange with families).

We can also confirm that if there is a lockdown as imposed by UK Government our insurers will indemnify costs incurred following cancellation if the trip is unable to be deferred by the travel provider.

Data Protection Privacy Notice

Certain personal data about students, including name, address, contact names and numbers, health/ medical and dietary information, will be shared with our staff members involved in the trip and the trip operator on a strictly need- to-know basis. This is to ensure that all young people can be appropriately safeguarded and that all risk assessments can be completed for the safety of all staff and students present on a trip. We do this as it is necessary for the provision of school trips. Should you have any questions on this please contact us on: kaenrichment@kas.cambrianlt.org

Passports and GHICs

Trips abroad will generally be on the student's own individual passport.

For travel to EU countries students will require a GHIC. These are free to apply for from: [Applying for healthcare cover abroad \(GHIC and EHIC\) - NHS \(www.nhs.uk\)](#). If you already have one, please check its expiry date.

Those students travelling on individual passports are responsible for obtaining their own passport prior to the date of travel and they must be valid for six months after the trip's scheduled return date. Please ensure you have a passport by Thursday **31st December 2026**, as we will need to share details with our travel companies.

VISAs

From 2026, non-EU residents over the age of 12 will be required to apply for an ETIAS travel authorization, to travel to 30 named European countries. School groups cannot apply as a group. Every student must apply individually online, costing around **€7** (Euros per person). For non-British students where a visa is required for travel, this is the responsibility of the parents. King Alfred's Academy can provide documents to support a visa application, but cost and application are the parents' responsibility. If you require a supporting document for your visa application, please email: kaenrichment@kas.cambrianlt.org

Mobile Phone Policy

Residential visits are an excellent way to develop life skills and independence in young people. It is partly for this reason that King Alfred's has a policy that students cannot take mobile phones on a residential visit. The policy also ensures that the trip leaders are able to act in 'loco parentis' and ensure the safety and wellbeing of students on the visit. Parents and students are asked to consider this before booking a place. If a place is booked, parents are expected to support the policy, and to enforce it by ensuring mobile phone

are left at home.

There are a few exceptions to this rule which will be clearly stated in an information letter. The policy also includes all devices that can connect to Wi-Fi. This includes phones without sim cards. All day trips and visits during the school day will require students to use their Yondr pouch as on a normal school day.

Behaviour and Attendance

Visits require students to be able to follow instructions, behave in an appropriate manner at all times and to keep themselves and others safe. King Alfred's Academy therefore requires students to demonstrate before and during an educational visit, that they can behave in a safe and appropriate manner. If King Alfred's Academy has any reason for concern, a meeting will be arranged with parents/carers to discuss viability of attending the trip. Ultimately, if a student is unable to follow the Behaviour Policy, King Alfred's Academy reserves the right to remove the student from the educational visit. Whilst every effort will be made to back-fill a vacated place, monies will only be refunded if a replacement is found. Any deposit paid will be non-refundable.

Attendance must be good for a student to be allowed to miss any teaching and learning which the trip may impact upon. Therefore, if a student's attendance has dropped to a level that King Alfred's Academy deems may have an impact on their education (with the exception of medical reasons which would be taken into account) they may not be able to attend. The Trip Leader and Attendance Officer will meet with

parents/ carers to discuss attendance concerns and if necessary, put an agreement in place before attendance on a trip is authorised.

Medical Conditions

If a student has a medical condition, that means they are not able to attend the trip, a doctor or hospital note will be required. The matter will then be referred to our insurance company for a refund. The insurance company's decision is final, and King Alfred's Academy cannot be held responsible for monies not being refunded. Students with mental health needs must be 'fit for travel'. For all trips, both the Academy and parents must give permission to confirm the student is able to partake in the trip. For trips abroad, a 'fit for travel' note must be obtained via CAMHS both when booking the trip and 7 days prior to departure. Trip Leaders will conduct appropriate risk assessments ahead of travel which may require the input of parents/ carers, any such instances will require a meeting before departure of the trip. The Headteacher must always ensure the wellbeing of others taking part on a school trip is accounted for and therefore has the right to remove any student if the student's attendance/ behavioural needs will have a detrimental effect on others.

Cambrian Learning Trust Educational Visits Policy

Please note all of our procedures are underpinned by the Cambrian Learning Trust Educational Visits Policy.

For further information on our trips or policies, please contact us via:

kaenrichment@kas.cambrianlt.org
