

Year 11 Mocks November 2026

Foundation Tier Revision List

Non-Calculator Paper (20th November 2026 at 9am)

- Area of shapes (Q170, U950)
- Bearings (U525, U107)
- Calculating with fractions (U475, U736)
- Calculating with speed, distance, time (U151)
- Equations of straight line graphs (U315)
- Exact trig values (U319)
- Expanding and factorising brackets (U179, U768, U365)
- Finding fractions of an amount (U881)
- Function machines (Q605, Q878)
- Identifying parts of a circle (U767)
- Language of probability (U803)
- Multiples of a number (Q918)
- Multiplying and dividing integers (U127, U453)
- Representing data as a diagram (U363, U506, U200, U909)
- Solving linear equations (U325)
- Sharing in a ratio (U577, U865, U921)
- Scale drawing (U257)
- Scatter graphs (U199, U277, U128)

Calculator Paper (24th November 2026 at 9am)

- Area of shapes (Q170, U970)
- Averages (U260, U291)
- Calculating with probability (U580)
- Converting between fractions, decimals and percentages (U594)
- Distance-time graphs (U403, U914)
- Finding percentages of an amount (U349, U332)
- Interpreting pie charts (U172)
- Metric unit conversion (U388)
- Nth term of a linear sequence (U498, U978)
- Sketching quadratic graphs (U310)
- Simplifying expressions by collecting like terms (U105)
- Sharing in a ratio (U577, U865, U921)
- Substituting into expressions (U201)
- Using angle facts (U628, U390, U730, U826, U655)
- Using a calculator (U926)
- Volume of a prism (U174)
- Venn diagrams and set notation (U476, U748)
