

Routes into STEM Face-to-face

Routes into STEM is an experience that provides an amazing opportunity to help students understand the different routes to further STEM education and career pathways.

Who is it for?

Students in Year 9 and 10 / equivalent who are interested in finding out more about STEM careers.

What is involved?

- A three-day experience at STEM educational providers and STEM companies local to them
- Students will explore STEM careers, participate in interactive workshops, site tours and hear from young professionals

What are the outcomes?

- Gain first-hand information and experience hands on activities at STEM educational providers and companies to make informed decisions about their future
- Go on campus tours and get thinking about future studies in a mature and informed manner
- Speak with apprentices/graduates about their experiences
- Develop valuable skills such as presentation skills, team-building, and social skills, and see how they can be applied to their CV, Application Form or Personal Statement
- Become a Bronze Industrial Cadet
