

## GEOGRAPHY LEARNING PATH STATEMENTS YEAR 7

YEAR 7	GEOG LEARNING PATH 1 LP1	GEOG LEARNING PATH 2 LP2
St 1	Able to explain multiple factors that affect the climate of a continent, using a range of examples	Able to explain some factors that affect the climate of a continent with the use of examples
St 2	Demonstrates detailed understanding through the use of keywords in relation to climate or Tourism	Demonstrates clear understanding through the use of keywords in relation to climate or Tourism
St 3	Knowledge - score 80% in a knowledge recall test on Europe	Knowledge - score 70% in a knowledge recall test on Europe
St 4	Knowledge - score 80% in a knowledge recall test on North America	Knowledge - score 70% in a knowledge recall test on North America
St 5	Demonstrates detailed knowledge of the impacts of hazards or migration	Demonstrates clear knowledge of the impacts of hazards or migration
St 6	Able to fully categorise the impacts of hazards (S, E and ENV) and demonstrates understanding of scale	Able to fully categorise the impacts of hazards (S, E and ENV)
St 7	Knowledge - score 80% in a knowledge recall test on South America	Knowledge - score 70% in a knowledge recall test on South America
St 8	Can give detailed explanation of the formation of a geographical landforms using a range of keywords	Can give an explanation of the formation of a geographical landform
St 9	Demonstrates sophisticated use of physical geography key terms	Shows clear knowledge of physical geography key terms
St 10	Demonstrates detailed understanding of how human and natural processes shape the world around us (e.g. Salt flats)	Demonstrates some understanding of how human and natural processes shape the world around us (e.g. Salt flats)

## GEOGRAPHY LEARNING PATH STATEMENTS YEAR 7

<b>YEAR 7</b>	<b>GEOG LEARNING PATH 3 LP3</b>	<b>GEOG LEARNING PATH 4 LP4</b>
St 1	Able to describe the climate of a continent using examples	Demonstrates knowledge of the climate of a continent
St 2	Able to use some keywords with accuracy in relation to climate or Tourism	Able to select keywords with accuracy in relation to climate or Tourism
St 3	Knowledge - score 60% in a knowledge recall test on Europe	Knowledge - score 50% in a knowledge recall test on Europe
St 4	Knowledge - score 60% in a knowledge recall test on North America	Knowledge - score 50% in a knowledge recall test on North America
St 5	Demonstrates some knowledge of the impacts of hazards or migration	Can identify impacts of a natural hazard or migration
St 6	Demonstrates some understanding of how to categorise the impacts of hazards (S, E and ENV)	Can identify categories for grouping the impacts of hazards
St 7	Knowledge - score 60% in a knowledge recall test on South America	Knowledge - score 50% in a knowledge recall test on South America
St 8	Can pick out keywords to build an explanation of a geographical landform	Can identify geographical landforms
St 9	Can use physical geography key terms with accuracy	Able to select physical geography key terms to use with accuracy
St 10	Able to describe ways the natural world is changed by humans (e.g. Salt flats)	Able to identify changes to the natural world over time (e.g. Salt flats)

The table below summarises the different skills and knowledge assessed during Year 7. You can use the links to review which topics you have done well in and which might need further work.

Year 7 LP Statement	Link	Topic
St 1	<a href="#">Factors that affect climate: altitude - YouTube</a> <a href="#">Explore weather and climate - BBC Bitesize</a>	Factors that affect weather and climate
St 2	<a href="#">Climate - KS3 Geography - BBC Bitesize - BBC Bitesize</a>	Weather and climate keywords
St 3	<a href="#">The geography of Europe - BBC Bitesize</a>	Europe knowledge review
St 4- 10	TBC for later reports	

All of these topics will continue to be reviewed regularly in lessons and independent study over the rest of the year, so there are plenty of opportunities to make progress.

“THE BEAUTY OF THE WORLD LIES IN THE DIVERSITY OF ITS PEOPLE”
