

Our New Sixth Form Centre!

King Alfred's Academy is undertaking a complete refurbishment of the existing Sixth Form building, to create a modern Sixth Form Centre with new facilities and an exciting new image. The building will feature a completely refurbished interior, right down to finishes and furniture. Improvements include:

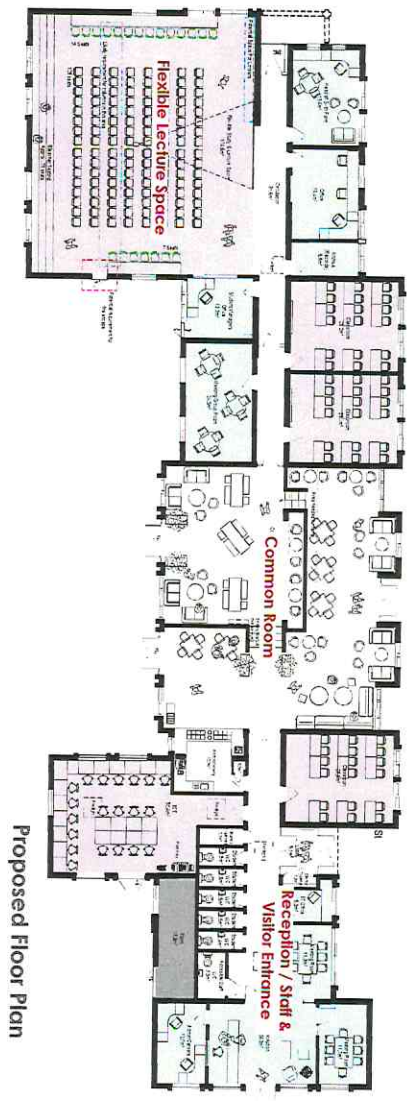

- Brand new reception with staff & visitor entrance
- Separate student entrance
- Large flexible lecture space & group study areas
- Expanded and upgraded Common Room
- New kitchen with enhanced catering capabilities
- Complete roof replacement with high-performance insulation
- Replacement of all doors and windows
- Pathways and benches to unlock the potential of the soft landscape
- Upgraded hard landscape with a new canopy in the courtyard
- Enhanced building security with new fences & lighting to external areas
